Garth Hill College are seeking to appoint a reliable, efficient and enthusiastic person to the position of Teaching Assistant.

The role involves assisting the teacher in the classroom, and undertaking programmes of work, care and support to enable pupils to progress in their learning. The successful candidate will possess the initiative, skills and confidence to deal with challenging situations. We would also be interested in applications from candidates who have had training or experience with manual handling or who would be willing to receive training.

Prospective candidates are advised to study the person specification and job description for this post carefully. Experience of working with or caring for children in a learning environment is essential.

Our last Ofsted inspection in October 2024 was very positive and confirmed that College had taken effective action to maintain the standards identified at the previous inspection (the last full inspection was in May 2019 when we were judged a 'good' school and all areas were rated 'good'). The report highlighted several key strengths including:

Pupils enjoy coming to this inclusive, friendly school. They foster strong relationships with staff and with one another.

Pupils' well-being is a priority. The highly effective pastoral system supports pupils' well-being and mental health.

Pupils benefit from the wide range of worthwhile educational experiences on offer.

The wider personal development of pupils is a strength. The school has put in place a carefully considered programme that runs through the whole school.

The school prepares pupils effectively for their next steps.

The full report can be read at <https://reports.ofsted.gov.uk/provider/23/110069>.

We are excited and confident about the future as we continue our journey to excellence. Our CPD programme is very strong. An outstanding team of teaching and learning professionals, including Lead Practitioners and Teaching and Learning Coaches, lead whole college and bespoke teacher development.

Furthermore, behaviour and inclusion support for pupils is exceptional. There is a very clear and established behaviour management system with 'send out'. The Behaviour Support Team helps staff and pupils to help resolve any issues that occur and work to ensure that pupils behave impeccably (one of our 'Seven Habits' for pupils). Centralised detentions help to reduce teacher workload.

I am fortunate to work with an extremely dedicated team of staff. We are passionate about our pupils' learning, and the Garth Hill community. We seek the very best for our pupils and we are committed to

providing excellent service and care to them and their families. We also work in a great learning environment with superb facilities.

If you possess the qualities listed, have the necessary skills and experience, believe that working with young people is a privilege and are ambitious for the future of Garth Hill College, we welcome your application.

Please do feel free to come and visit us too or pick up the phone.
