Would you like to join our Governing Board?

West Kirby Primary School is looking for a new **Co-opted Governor** to join our governing body. It's a voluntary role where your time, skills and perspective can make a real difference to the lives of our pupils.

You don't need to have worked in education before — governors come from all walks of life — but training and support are provided. What matters most is that you are committed, curious, and able to contribute to discussions that help our school be the best it can be.

We would particularly welcome applications from individuals with knowledge or experience in:

- Property, estates or facilities management
- Health & safety compliance or risk management
- Construction, surveying or architecture

...but if your background is different and you're keen to contribute, we'd love to hear from you too.

What's involved?

- Attending around six governing body meetings each year (one per half term)
- Helping to provide strategic oversight and challenge to school leaders
- Bringing your own skills and perspective to support the school community

Being a school governor is a rewarding way to:

- Use your skills in a board-level environment
- Give back to your community
- Support children and young people to achieve their potential

If you are interested, we'd love to hear from you. Please contact our Chair of Governors, Louise Wood, at chair@westkirby-primary.wirral.sch.uk for an informal conversation or to submit an expression of interest (no more than 500 words about your background and motivation).

**Your Expertise.
Their Education.**

**West Kirby Primary School
is looking for a
Co-opted Governor**

- **Voluntary role • Community Impact**
 - **Approx 6 meetings per year**
