

# Farnworth CE Primary School

Headteacher: Mrs. SNJ Kidd

Dear Prospective Applicant,

This is an exciting opportunity to join our caring, inclusive, and ambitious primary school. We are proud of our strong community, dedicated staff and positive ethos, where children are at the heart of everything we do.

The Governing Board is supportive, committed and ambitious for our pupils, staff and community. We value professional dialogue, teamwork and leadership at all levels. Farnworth has deservedly achieved many awards and quality marks including that of IQM Centre of Excellence. Our school was inspected by Ofsted in 2023 and was judged to be good with many outstanding features, this is something that we intend to build upon further.

Farnworth is a two-form entry school in a thriving community, filled with children who are polite, hardworking and enthusiastic learners. Our excellent teaching staff are supported by a talented team of teaching and classroom assistants including two HLTAs. Our school has a strong Christian ethos which benefits greatly from our valuable links with St Luke's Church, and we are also extremely fortunate to have an incredibly active PTA whose work supports our school's children, teaching staff and our school environment.

We are seeking a Deputy Headteacher who is passionate about high-quality teaching and learning, committed to SEND and inclusion, and eager to work collaboratively with the Headteacher and Governing Body to help shape the future direction of the school.

We warmly encourage prospective candidates to visit the school to gain a sense of our ethos and to meet our pupils and staff.

Thank you for considering an application. We look forward to hearing from candidates who share our values and vision.

Yours faithfully,

Joanne Reynolds  
Chair of Governors
