Dear Prospective Applicant

ART TEACHER

TEACHER PAY SCALE MPS/UPS (Fringe)

PART TIME (0.7-0.8fte)

PERMANENT

REQUIRED FOR SEPTEMBER 2026 OR JULY START FOR ECT

Thank you very much for your interest in this position and Garth Hill College. We are looking for an inspirational Art Teacher. We are ideally looking for someone to teach part-time 0.7-0.8fte, although we would welcome applications from candidates seeking a full-time position.

This is an exciting opportunity for a newly qualified or experienced teacher to join the Garth Hill team. If you are an early career teacher then we welcome your application. A July start is available and our support for ECTs is highly regarded. ECTs are on a reduced timetable with a dedicated mentor.

The Art and Design department benefits from three purpose built classrooms, equipped with a range of specialised equipment, including printmaking and ceramics facilities. The teaching team are supported by a dedicated technician. Art and Design is a very popular choice at GCSE and through carefully selected and sequenced schemes of work we create pathways to develop and challenge our pupils. A Level Art is also offered in the Sixth Form. We value the importance of introducing our pupils to a variety of experiences through extra-curricular activities. Our Art Club, gallery visits and competitions help to inspire and enrich our pupils learning leading to successful outcomes.

Our last Ofsted inspection in October 2024 was very positive and confirmed that College had taken effective action to maintain the standards identified at the previous inspection (the last full inspection was in May 2019 when we were judged a 'good' school and all areas were rated 'good'). The report highlighted several key strengths including:

Pupils enjoy coming to this inclusive, friendly school. They foster strong relationships with staff and with one another.

Pupils' well-being is a priority. The highly effective pastoral system supports pupils' well-being and mental health.

Pupils benefit from the wide range of worthwhile educational experiences on offer.

The wider personal development of pupils is a strength. The school has put in place a carefully considered programme that runs through the whole school.

The school prepares pupils effectively for their next steps.

The inspectors were also positive about the provision made for our SEND pupils. The report stated that staff understand how to adapt their lessons or resources to help pupils with SEND learn well.

The full report can be read at <https://reports.ofsted.gov.uk/provider/23/110069>.

We are excited and confident about the future as we continue our journey to excellence. Our CPD programme is very strong. An outstanding team of teaching and learning professionals, including Lead Practitioners and Teaching and Learning Coaches, lead whole college and bespoke teacher development.

GARTH HILL COLLEGE

Furthermore, behaviour and inclusion support for pupils is exceptional. There is a very clear and established behaviour management system with 'send out'. The Behaviour Support Team helps staff and pupils to help resolve any issues that occur and work to ensure that pupils behave impeccably (one of our 'Seven Habits' for pupils). Centralised detentions help to reduce teacher workload.

I am fortunate to work with an extremely dedicated team of staff. We are passionate about our pupils' learning, and the Garth Hill community. We seek the very best for our pupils and we are committed to providing excellent service and care to them and their families. We also work in a great learning environment with superb facilities.

If you possess the qualities listed, have the necessary skills and experience, believe that working with young people is a privilege and are ambitious for the future of Garth Hill College, we welcome your application.

Please do feel free to come and visit us too or pick up the phone.
