Dear Prospective Candidate,

Thank you for your interest in the Class Teacher position at St Gregory's Catholic Primary School.

It is a genuine privilege to lead this wonderful school community. St Gregory's is a place where children feel a strong sense of belonging, where staff work collaboratively with high levels of professional trust, and where parents are actively participants in school life. Our recent inspection affirmed the strength of our provision across all areas, recognising both the high standards we achieve and the inclusive, nurturing environment we provide.

At the heart of our success is a highly skilled and committed staff team. We are reflective practitioners who care deeply about getting it right for every child. Professional development is prioritised, workload and wellbeing are carefully considered, and teamwork is central to how we operate. St. Gregory's senior leaders and I believe that when staff flourish, children flourish.

Our pupils are a joy to work with. They are polite, motivated and eager to learn. They take pride in their school and rise to the high expectations set for them, both academically and in their conduct. We are ambitious for every child and determined that each one leaves us confident, compassionate and exceptionally well prepared for the next stage of their education.

We are seeking a teacher who shares our commitment to excellence, inclusion and Catholic education. Whether you are at the start of your career or bring a wealth of experience, we are looking for someone who is passionate about teaching, values collaboration and wants to contribute fully to school life.

I warmly encourage you to visit us and experience first-hand the warmth, professionalism and sense of purpose that define the St Gregory's. We look forward to receiving your application and learning more about what you could bring to our school family.

Yours sincerely,
