Headteacher: Mrs G Forshaw

Dear Applicant,

We are the School Council, and we would like to share the important qualities we think our new Headteacher should have.

Firstly, we would like a Headteacher who is kind and listens to children. It is important to us that the Headteacher hears our ideas but also the ideas of all pupils in school and takes our opinions seriously. We think children should have a voice and we would love our new Headteacher to speak up on our behalf and celebrate our successes.

It is really important that our new Headteacher is a kind and caring person. We want somebody who is fair and will treat us with respect, while still helping us to follow the rules to make our school the best it can be. We would also love our Headteacher to have a good sense of humour and visit us on the playground at lunchtime.

We would also like a Headteacher who makes sure our school is a happy and safe place for everyone. They should care about all pupils and staff and help everyone feel welcome and included. We are very proud of our special Blossom Room and our Blossom Leaders, and we would love a Headteacher who continues to nurture this.

We are very proud of our work with Voice 21. We have put lots of effort into developing our speaking and listening skills, and we think it is really important for our learning. We would like our new Headteacher to understand how important this is and to continue to help us with our Voice 21 journey.

We think it is really important that our Headteacher has lots of experience as a classroom teacher. We would love to have a Headteacher who understands every year group in a school and knows what it is like to be a good teacher.

We are really excited to be getting a new-build school, and we want our Headteacher to be just as excited as we are. We think a person who is confident and welcoming will help to make our new school a lovely place to be. We also think that the new Headteacher needs lots of ideas to keep improving our school, and to be good at Maths to make sure we have enough money in our budget.

Finally, the most important thing for us is that we have a Headteacher who is proud to be part of our school and proud of our pupils, staff and community.

Thank you for listening to our ideas. We are excited to meet our new Headteacher and welcome them to our amazing school.

Kind regards,  
Lydiate Primary School Council
