Dear Prospective Applicant

**HEAD OF MATHS AND DEPUTY HEAD OF FACULTY  
TEACHER PAY SCALE MPS/UPS (Fringe) PLUS TLR 1B (£12,516)  
PERMANENT  
REQUIRED FROM SEPTEMBER 2026**

We are seeking to appoint a new Head of Maths who will also provide deputy leadership for the faculty area of Maths and Information Studies from September 2026.

The successful candidate will be an excellent practitioner with the vision, creativity and resolve to further the success of this important subject area. This is an exciting opportunity to take the next career step and become part of the Garth Hill team.

The School of Mathematics and Information Studies comprises Mathematics, Computer Science and Business Studies. The Mathematics department is a strong team with a good track record of success at GCSE and A Level. The appointed person will lead the department and, in addition, support the Head of Faculty in providing strategic leadership and day to day management for the faculty area.

Our last Ofsted inspection in October 2024 was very positive and confirmed that College had taken effective action to maintain the standards identified at the previous inspection (the last full inspection was in May 2019 when we were judged a 'good' school and all areas were rated 'good'). The report highlighted several key strengths including:

*Pupils enjoy coming to this inclusive, friendly school. They foster strong relationships with staff and with one another.*

*Pupils' well-being is a priority. The highly effective pastoral system supports pupils' well-being and mental health.*

*Pupils benefit from the wide range of worthwhile educational experiences on offer.*

*The wider personal development of pupils is a strength. The school has put in place a carefully considered programme that runs through the whole school.*

*The school prepares pupils effectively for their next steps.*

We are excited and confident about the future as we continue our journey to excellence. Our CPD programme is very strong. An outstanding team of teaching and learning professionals, including Lead Practitioners and Teaching and Learning Coaches, lead whole college and bespoke teacher development.

Furthermore, behaviour and inclusion support for pupils is exceptional. There is a very clear and established behaviour management system with 'send out'. The Behaviour Support Team helps staff and pupils to help resolve any issues that occur and work to ensure that pupils behave

impeccably (one of our 'Seven Habits' for pupils). Centralised detentions help to reduce teacher workload.

I am fortunate to work with an extremely dedicated team of staff. We are passionate about our pupils' learning, and the Garth Hill community. We seek the very best for our pupils and we are committed to providing excellent service and care to them and their families. We also work in a great learning environment with superb facilities.

If you possess the qualities listed, have the necessary skills and experience, believe that working with young people is a privilege and are ambitious for the future of Garth Hill College, we welcome your application.
