TEACHER OF RELIGIOUS EDUCATION
APPLICANT PACK

MARCH 2026

INTRODUCTION

Dear Candidate,

We are delighted to welcome applications for the permanent role of Teacher of Religious Education at Hartford Church of England High School. Our school is a great place to work! We have brilliant students, talented and committed staff and supportive parents. Our most recent Ofsted inspection in June 2023, demonstrated that we were a good and improving school and our ambition is to make Hartford Church of England High School an exceptional place to learn and work. Three years on, we are well on our way to achieving that goal.

Given our church school status, the RE Department is a core department at Hartford Church of England High School and as such has huge prominence alongside maths, English and science. The RE Department is led by the Director of Learning for RE, PSHE and RSE who works alongside a strong and dedicated team of experienced and enthusiastic teachers. The teaching time strive to equip students with the knowledge necessary to flourish in an ever-diversifying society, both at a personal level and more widely, considering the place of religion at local, national and international levels. The department's aim is to cultivate well-rounded individuals with the potential to flourish in the world around them. In joining the department, you would become part of a group of teachers who are highly motivated and determined to achieve the best for our students.

The RE curriculum has evolved considerably in recent years to be high-quality and inclusive, providing students with the opportunity to develop their knowledge and understanding of the major six world religions, including how an individual's beliefs and values influence their decision-making processes. Students are encouraged to develop a wide range of skills, including the ability to critically analyse, evaluate and interpret a variety of sources of authority. The RE Department encourages students to explore their own position, presuppositions and values as well as the social and ethical responsibilities of not only themselves, but also those of society more generally.

Aside from the curriculum, at Hartford Church of England we focus on the importance of personal development, high expectations and care for one another across the school community. Our Family System, pastoral teams and inclusive practices - with a key focus on inclusion - support this philosophy. All that we do is centred around our core HART values of Happy, Achieving, Ready, Together, built on the Christian foundation of Love (caritas) and Truth (veritas).

Across the school campus, we are blessed with exceptional facilities, with a suite of new and modern buildings for students to learn in. We are increasingly popular as the first choice for parents when selecting high school provision in the Northwich area and are oversubscribed for year 7 places. This means that the children who join us are enthusiastic to learn and are great to teach. It also means that we have hugely supportive parents who contribute to our school community alongside committed staff and expert governors.
