## About Us

Liberty Academy Trust is an education charity established in 2022. Our purpose is to deliver an education for our children that meets their needs, aspirations, and interests, and which prepares them well for adulthood. Our values of courage, determination and teamwork are the key drivers to bring about positive change, so that all our children and young people can be successful now and in their future lives.

We are currently a small Trust of three academies, with plans to grow so that our reach and impact can extend further. Committed to providing an excellent education for autistic children and young people, our approach is to support the whole child, offering a balance of personalised teaching and therapeutic support as standard.

We opened Church Lawton School in 2015 and provide a curriculum for students from across the spectrum who have a range of learning needs. This covers an age range from age 4 to age 19, building each child's development week by week, term by term and year by year.

With high expectations for staff and pupils alike, those we recruit can demonstrate that they share our values, are highly motivated to work with colleagues to continuously develop their skills, pursue professional excellence, and are committed to providing the highest standards.

If you see yourself in that description, then we would be delighted to receive your application.
