**Mission:** Be The Best You Can be  
**Vision:** Providing A World-Class Start to Life  
**Values:** Mutual Respect, Equity, Inclusivity and Love

The Acorns Primary and Nursery School is a larger-than average sized school in Ellesmere Port, catering for 375 pupils aged between 2 and 11 years old. Our pupils come from a wide range of backgrounds, but most live within a close proximity to the school. We have much higher-than-average number of pupils eligible for Pupil Premium and in receipt of EHCPs. We are a trauma-informed school with a Relationship Policy based upon restorative practice.

We are a Rights Respecting School where everyone is welcome – we have No Outsiders. We equip our pupils with the skills and knowledge they need to become positive, global citizens. During their time here, children develop into intrinsically motivated, life-long learners: they understand the value of working hard and they aspire to achieve.

The values of tolerance, individual liberty, democracy, mutual respect and the rule of law are embedded in all that we teach, and the way in which we run our school. We value, respect and celebrate all achievements, both within and outside of school and encourage parents, families and the community to join us in doing so. We work hard to ensure that our pupils experience a range of enrichment activities to engage and inspire them, creating memories for life and a thirst for adventure.

From a wonderful start in our Nursery, our 2-year-old children settle quickly into our community and are nurtured as individuals, swiftly building positive relationships with both the staff and their peers. This continues for the 9 years they are with us. We believe community is at the heart of the work we do and have close relationships with many agencies, ensuring that our families have their holistic needs met.

Throughout their time at The Acorns, we instil the characteristics of effective learning. These allow our pupils to develop into confident, resilient and independent adults, prepared to succeed in the modern world. Our pupils leave us with a strong moral compass, comfortable in their own skin, and knowing their own minds. They are brimming with self-belief and self-worth and are capable of being in respectful, trusting relationships with others in their community.
