## Exempted posts – Disclosure & Barring Service (DBS) disclosure

Knowsley Metropolitan Borough Council aims to promote equality of opportunity for all with the right mix of talent, skills and potential. We welcome applications from diverse candidates.

Certain posts are subject to a Disclosure & Barring Service check due to the nature of the work being undertaken. All candidates who are successful at interview for one of these posts will be asked to complete an application form for a 'disclosure' check by the Disclosure & Barring Service before the appointment is confirmed.

Whilst the council supports the rehabilitation of ex-offenders, it is obliged in the recruitment of all employees to use an Exemption Order of the Rehabilitation of Offenders Act 1974 in order to ensure safe recruitment to posts where working with children, vulnerable adults or other positions of trust are involved. If you apply for a post that is subject to a disclosure, you will be advised in the recruitment job pack.

Having a conviction or a record of some type of unacceptable behaviour **would not** necessarily bar you from being appointed to the post as any decision to employ will be considered on the individual circumstances of each case.

If you are in doubt about what you should declare, you can ask advice from a member of the Human Resources Division 0151 443 3434.

Further information about the Disclosure & Barring Service, including how information is assessed in line with the Rehabilitation of Offenders Act 1974 can be found on their website: [www.crb.gov.uk](http://www.crb.gov.uk)

## Safeguarding

### Children

Where the post involves working with children, in addition to a candidate's ability to perform the duties of the post, the interview will also explore issues relating to safeguarding and promoting the welfare of children, including:

- Ability to form and maintain appropriate relationships and personal boundaries with children and young people
- Emotional resilience in working with challenging behaviours
- Attitudes to use of authority and maintaining discipline

### Adults

Where the post involves working with adults with care and support needs who are at risk of abuse or neglect, there is an expectation that the post holder will undertake their duties in line with the Skills for Care [Code of Conduct](#) which outlines the expectations for health and social care workers.
