

**Senior Licensing Officer  
SK15 (£41,979 per annum)**

If you're looking to join a team that makes a difference every single day, your perfect career could be waiting for you at South Kesteven District Council.

South Kesteven is a district full of promise and potential. It's home to innovative entrepreneurs and savvy start-ups, a base for global enterprise, and an inviting landscape perfectly situated in the heart of England. It is our vision to be the best district in which to live, work and visit – and we know that by working together, we can achieve that.

People are at the heart of what we do here at SKDC. We deliver more than 100 services across the district so there's no limit to where your career can take you. We value our employees and we offer a range of benefits that really make a difference, for everyone.

The Licensing section within Public Protection are looking for an enthusiastic and highly motivated individual to lead a team of 5 colleagues, supported by the Environmental Health Commercial & Licensing Manager. Following a service redesign, this senior role would suit someone already experienced and proven in a supervisory role, or equally a high performing officer who wishes to take that next step in their career. We are looking for someone who is keen to get involved in the day-to-day work, operating with a good level of independence, but also someone who can help develop the team to be the best they can be.

Your hard work, professional curiosity and emotional intelligence will be reciprocated with a trusting management approach enabling you to enjoy the role and thrive not only within the team but across the council.

The team is responsible for the customary licensing functions you would expect, but has much ambition to think outside the box, not just completing administrative duties but making a real positive difference in protecting the public, balanced with supporting economic growth.

We promote flexible, hybrid working arrangements to help you live a balanced lifestyle that works for you. We're also modernizing our workspace and embracing new technology so that everyone can work efficiently and comfortably.

Here at SKDC you will receive a generous annual leave entitlement of 26 days, increasing with length of service. As we encourage healthy, happy employees, we also offer a low-cost health care plan, a Cycle to Work scheme and regular wellbeing activities.

You will be given the chance to grow in your career, taking ownership of your learning journey with exciting opportunities for development within the Council, and you can rest assured that we're thinking about your future. Not only can we help you in the short-term with financial schemes to help spread the cost of cars, bikes and technology – you'll become a member of the generous and trusted Local Government Pension Scheme.
