

**Environmental Health Officer- Private Sector Housing
SK12-SK15 (£37,467-£41,979 per annum)**

If you're looking to join a team that makes a difference every single day, your perfect career could be waiting for you at South Kesteven District Council.

South Kesteven is a district full of promise and potential. It's home to innovative entrepreneurs and savvy start-ups, a base for global enterprise, and an inviting landscape perfectly situated in the heart of England. It is our vision to be the best district in which to live, work and visit – and we know that by working together, we can achieve that.

People are at the heart of what we do here at SKDC. We deliver more than 100 services across the district so there's no limit to where your career can take you. We value our employees and we offer a range of benefits that really make a difference, for everyone.

We currently have the opportunity for an Environmental Health Officer to join our Public Protection Team.

We are seeking a motivated and keen individual to join our Private Sector Housing Team, the role will cover all elements of the Private Sector Housing regulatory compliance including property inspections, enforcement of standards and will have a particular focus on Houses in Multiple Occupation (HMOs) and the mandatory licensing regime.

This is an excellent opportunity for an officer with a strong interest in improving housing standards, protecting vulnerable tenants, and ensuring compliance with housing legislation across the private rented sector.

You will play a key role in delivering proactive and reactive enforcement work, supporting licensing schemes, and contributing to the Authority's wider housing and public health priorities.

A qualified Environmental Health Officer is preferable but consideration will be given to appoint the role on the basis that the candidate is willing to be enrolled on the Degree Apprenticeship, for the right non-qualified candidate.

We promote flexible, hybrid working arrangements to help you live a balanced lifestyle that works for you. We're also modernizing our workspace and embracing new technology so that everyone can work efficiently and comfortably.

Here at SKDC you will receive a generous annual leave entitlement of 26 days, increasing with length of service. As we encourage healthy, happy employees, we also offer a low-cost health care plan, a Cycle to Work scheme and regular wellbeing activities.

You will be given the chance to grow in your career, taking ownership of your learning journey with exciting opportunities for development within the Council, and you can rest assured that we're thinking about your future. Not only can we help you in the short-term with financial schemes to help spread the cost of cars, bikes and technology – you'll become a member of the generous and trusted Local Government Pension Scheme.

SOUTH
KESTEVEN
DISTRICT
COUNCIL
