Dear Prospective Applicant

MATHS TEACHER MPS (Fringe) PERMANENT REQUIRED FROM SEPTEMBER 2026 - JULY START FOR ECT

Thank you very much for your interest in this position and Garth Hill College. We are seeking to appoint a Maths Teacher with effect from September 2026. This is an exciting opportunity for a newly qualified or experienced teacher to join the Garth Hill team.

If you are an early career teacher then we welcome your application. A July start is available and our support for ECTs is highly regarded. ECTs are on a reduced timetable with a dedicated mentor.

The Mathematics Department is a very strong team with a good track record of success at GCSE and A Level. It is also an extremely popular subject in our Sixth Form. The vision of the Department is not only to develop key mathematical skills such as critical thinking, problem solving and reasoning, but also to create resilient, enthusiastic and confident learners. A variety of approaches to teaching and learning aim to motivate, engage and support students. Above all, the Department is cohesive, supportive and collaborative.

Our last Ofsted inspection in October 2024 was very positive and confirmed that College had taken effective action to maintain the standards identified at the previous inspection (the last full inspection was in May 2019 when we were judged a 'good' school and all areas were rated 'good'). The report highlighted several key strengths including:

Pupils enjoy coming to this inclusive, friendly school. They foster strong relationships with staff and with one another.

Pupils' well-being is a priority. The highly effective pastoral system supports pupils' well-being and mental health.

Pupils benefit from the wide range of worthwhile educational experiences on offer.

The wider personal development of pupils is a strength. The school has put in place a carefully considered programme that runs through the whole school.

The school prepares pupils effectively for their next steps.

The inspectors were also positive about the provision made for our SEND pupils. The report stated that staff understand how to adapt their lessons or resources to help pupils with SEND learn well. The full report can be read at <https://reports.ofsted.gov.uk/provider/23/110069>.

We are excited and confident about the future as we continue our journey to excellence. Our CPD programme is very strong. An outstanding team of teaching and learning professionals, including Lead Practitioners and Teaching and Learning Coaches, lead whole college and bespoke teacher development.

Furthermore, behaviour and inclusion support for pupils is exceptional. There is a very clear and established behaviour management system with 'send out'. The Behaviour Support Team helps staff

and pupils to help resolve any issues that occur and work to ensure that pupils behave impeccably (one of our 'Seven Habits' for pupils). Centralised detentions help to reduce teacher workload.

I am fortunate to work with an extremely dedicated team of staff. We are passionate about our pupils' learning, and the Garth Hill community. We seek the very best for our pupils and we are committed to providing excellent service and care to them and their families. We also work in a great learning environment with superb facilities.

If you possess the qualities listed, have the necessary skills and experience, believe that working with young people is a privilege and are ambitious for the future of Garth Hill College, we welcome your application.

Please do feel free to come and visit us too or pick up the phone.
