

Job description			
Job title	Youth Justice Officer		
Grade	H - SCP 23-25		
Directorate	Children's Services		
Service/team	Youth Justice Service		
Accountable to	Operational Manager		
Responsible for	N/A		
JE Reference	A4949	Date Reviewed	07.07.2026

Purpose of the Job

To support the work of the Youth Justice Service in particular Case Managers and Specialist Practitioners in the development and delivery of the full range of case work with young offenders, their families and victims of youth crime including the wider community. Within this context the Youth Justice Officer will work in partnership with all appropriate agencies to assess, manage and review the delivery of programmes and interventions for Knowsley children who have committed offences.

Duties and Responsibilities

This is not a comprehensive list of all the tasks, which may be required of the post holder. It is illustrative of the general nature and level of responsibility of the work to be undertaken.

1. Work directly with children, their families/carers and victims of crime in a range of settings including office, home and community venues, in order to ensure consistency in the delivery and engagement of individuals involved with the service.
2. To plan and undertake the direct delivery of 1 – 1, group work programmes, interventions based on desistance factors and strength-based approaches with children and families/carers aimed at preventing offending and re offending.
3. To provide support to children as part of an effective exit strategy from their involvement in youth justice service disposals

4. To assist the Case Manager in the effective supervision of young people including the undertaking of home visits in accordance with Health and Safety requirement.
5. To promote the participation of children, their families and victims within the service and enable their views and feedback to be considered in the delivery and development of services.
6. To contribute to assessment, planning and intervention delivery for statutory and non-statutory interventions using Youth Justice Board Case Management Guidelines and locally agreed standards of practice.
7. To contribute to the assessment of risk and safety and well-being using relevant assessment tools and to work to alleviate risk factors in conjunction with other colleagues in the Youth Offending Service.
8. To provide support to children, families/carers, and victims in participating in restorative justice processes including community reparation.
9. To promote positive perceptions of children and the work of the Youth Justice Service by assisting with the development and delivery of meaningful community reparation projects and other relevant opportunities.
10. Where required, transport children and/or their families to appointments/venues.
11. To contribute to the protection and safeguarding of the public and children, taking account of policy and guidance on the management of dangerous or high-risk offenders, and Child Protection procedures.
12. To maintain a sound knowledge of developments in youth justice and undertake relevant training to further improve such knowledge in accordance with the training requirements identified by self and line manager.
13. To maintain accurate and up-to-date records of all work undertaken.
14. To participate in the office duty rota systems including attendance at police stations and referral order panels.
15. To work at the times requested by the Youth Offending Service Operational Manager to meet the requirements of the service including evening/weekend working as required.
