Core values

Our vision is to “be the best district in which to live, work, and visit.” To achieve this promise, we are building an organisation with a strong internal culture. Our values determine how we behave and deliver services to our residents and businesses and how we interact with each other, and we believe that our values are just as important as skills.

They focus attention on seven areas:

- **Accountability**, which means ensuring that everyone at every level is responsible of what they do and takes ownership for their actions and decisions.
- **Flexibility**, which means working in different ways, at different times and in different places to meet the needs of our residents and businesses.
- **Agility**, which means working together to get the job done, using our skills to get the best outcome for our residents and businesses.
- **Equity**, which means ensuring that we treat each other with respect, irrespective of rank, position, or status. This echoes our commitment to provide consistently good services to both our internal and external customers.
- **Networking**, which means that as a council we recognise that ours is not the only voice or opinion. We embrace the views of others and use formal and informal networks to improve performance and ensure the solutions we deliver meet the needs of our customers.
- **Always learning**, means sharing knowledge, skills, and expertise to enable the council to go from strength to strength and learn from everything we do.
- **Talent**, means harnessing the incredible ability that is within the council and valuing the contribution that everyone can make.
