

School Information

Cathcart Street Primary School serves children and families in Birkenhead. We want every child to feel safe, included and ready to learn, and we value the contribution that every member of staff makes to their school experience.

Our Values

Our school values are Be Ready, Be Kind, Be Safe. They guide how we work with children, families and one another. We look for colleagues who model these values through their everyday actions, build respectful relationships and help children develop confidence and independence.

Inclusion and Support

Our provision includes mainstream classes, our Rainbow SEND provision and nurture support. We recognise that children learn and develop in different ways. Staff work together to adapt learning, support communication and emotional regulation, and help children take part in school life. Our aim is to understand each child's needs and provide consistent, purposeful support.

Working Together

Teachers, teaching assistants, pastoral staff, office staff and premises colleagues all play an important part in our school. We value clear communication, practical teamwork and a willingness to share ideas and learn from one another. We welcome colleagues who bring warmth and patience, take responsibility for their work and ask for support when they need it.

Learning and Development

We are committed to developing our practice and improving children's experiences and outcomes. Staff are expected to reflect on their work and take part in relevant professional development. Training and support are linked to the needs of the role and the children, including safeguarding and SEND where appropriate.

Children and Families

Positive relationships with families are central to our work. We aim to listen, communicate clearly and work together to support children's learning and wellbeing. We want colleagues who recognise children's strengths, maintain high expectations and understand the difference that reliable, caring adults can make.

Safeguarding

Safeguarding is everyone's responsibility. All staff and volunteers are expected to share our commitment to safeguarding and promoting the welfare of children. Our recruitment process follows Keeping Children Safe in Education; further details are included in the advert and Notes for Applicants.

Visit Our School

We warmly welcome prospective applicants to visit the school, meet the team and find out more about the role. To arrange a visit, please email businessmanager@cathcartstreet.wirral.sch.uk.
