Food and Textiles Technician

Pay Grade: KGA04 (points 4 to 6), FTE £26,785 to £28,099 per annum, starting on £13.88 per hour.
Actual Starting Salary: £18,243 per annum inclusive of London Weighting and Holiday Entitlement, plus a First Aid Allowance payable upon receipt of qualification.
Hours: 30 hours per week, Monday to Friday, Term time only
Core Hours: 9am – 3.30pm including a 30-minute unpaid break to be taken flexibly
Your break is to be taken at a time within the day to fit in with practical lessons and cleaning schedules (this may not necessarily be at the same time as the school lunch period)

We are seeking to appoint an enthusiastic, reliable and motivated Food and Textiles Technician. If you love cooking, baking and craft, and are keen to help others develop their skills, then this is the role for you. You will ensure equipment and materials are available for teachers to run classroom lessons and work with teachers within the Design and Technology department.

During practical lessons there is an expectation that you will assist students, offer motivating advice and assist in clearing up. The successful applicant will be organised and able to work with a degree of independence as you will be a key part of ensuring the rooms are fit for purpose at all times. Ordering of ingredients and the collection of food items for some practical lessons and maintain the store cupboard. This would suit an active person. It may be a requirement that you join our team of first aiders, if so, training will be provided.

King's Academy Easthampstead Park is a vibrant school which prides itself on holding traditional values. We seek to equip all students with the confidence, knowledge, skills and values that will enable them to thrive in the modern world. Through our academic and personal development curricula, we aim to nurture and develop the whole child so that each unique individual grows constantly in confidence, and develops the knowledge, skills and self-esteem to achieve their true potential. All children at our school access a broad, challenging and engaging curriculum, encouraging learning through well established, research-based quality first teaching.

Following our last OFSTED inspection in February 2026, the inspection team noted that "pupils are happy at this welcoming school" and that "staff know pupils well and understand their individual needs."

The report captured our inclusive environment, observing that "pupils feel safe in school," that "in lessons and around the school, pupils behave well," and that "pupils embrace one another's differences and understand why equality matters." Crucially, inspectors highlighted that "leaders have high aspirations and expectations of pupils."

We are a motivated school, always seeking to improve, and aspire to provide the very best possible quality of education for all of our students. This is driven by a core belief that all of our students deserve nothing but the best possible teaching and support in order to be happy, healthy and successful.

If you feel you have the necessary skills, mindset and determination to join us, we would very much like to hear from you. Visits to the school prior to application are warmly welcomed.

Closing date: Monday 7 December 2026
Interviews: Week commencing 7 December 2026

We are committed to safeguarding and promoting the welfare of children and expect all staff to share this commitment. An enhanced Disclosure and Barring Service check will be undertaken.
