Help us make a difference to individuals and their carers

We are seeking to recruit motivated, enthusiastic, and committed individual who cares about the standards of care delivered to adults/older people who live in Flintshire.

The successful candidate will need to be able to work independently, organising their own case load commitments; have a professional approach and excellent interpersonal skills; be flexible; and have the ability to work with colleagues from across a range of multi-agency services and organisations. Good computer skills are advantageous.

The role involves carrying out assessments and care planning of packages of care and support for adults/older people living in the Community. You will ensure that appropriate sign posting, referrals and support services are in place to assist individuals to achieve their identified outcomes.

To apply for **this p**ost you will need to be able to demonstrate that you have QCF Level 4 in Health and Social Care or a willingness to work towards this. You must have experience of working in a health or social care setting with the adults.

The successful candidate will be required to apply for a disclosure and barring service check at an enhanced level.

For an informal discussion please contact: Tracey Baxter, Intake, Team Manager.
